Network Solutions, in its sole discretion, shall determine the prices it will charge for the Subscription Service, and the terms and conditions applicable to the same, and Network Solutions may, upon providing thirty (30) days notice to you by email, amend such pricing and/or terms and conditions. If you do not agree to the change(s), you may terminate this Agreement (or cancel your Subscription Service, as applicable) as provided herein within such thirty (30) day period; otherwise all such changes shall thereafter be effective with respect to your account, and you agree that we are authorized to charge your credit card for any new Subscription Service Fee, on the next monthly or annual (as applicable) payment cycle.

SCHEDULE R TO NETWORK SOLUTIONS SERVICE AGREEMENT

100-YEAR DOMAIN SERVICE

1. 100-Year Domain Service. When you purchase the Network Solutions 100-Year Domain Service for a new domain name registration through Network Solutions, we will initially register the relevant domain name for the maximum number of years allowed by the applicable registry. When you purchase the Network Solutions 100-Year Domain Service for a domain name that is currently registered through Network Solutions, we will initially renew the domain name for the maximum number of years allowed by the applicable registry. We will then automatically renew the domain name registration on an annual basis until you have received a total of 100 years of registration services from us for that domain name from the date of your purchase of the 100-Year Domain Service.

2. Non-Transferable; Non-Refundable. You acknowledge and agree that the 100-Year Domain Service will terminate if you transfer the domain name for which you purchased the service to another registrar. You acknowledge and agree that this service, like all other services we provide, is non-refundable upon termination.

3. Other Services Affecting this Service. You acknowledge and agree that our ability to provide the 100-Year Domain Service is dependent upon, among other things, the continued registration of the relevant domain name, and that any termination of that registration (for whatever reason) will result in the termination of the 100-Year Domain Service for that registration.

SCHEDULE S TO SERVICE AGREEMENT

CERTIFIED OFFER SERVICE

1. **Additional Terms; Definitions.** Except as specifically noted otherwise herein, the following additional terms and conditions apply to you if you use the Certified Offer Service ("COS") in any way. As used in this Schedule, the term "**Buyer**" means any person or entity that uses the COS to make an Offer to a domain name registrant to transfer to such person a domain name registration through the COS. As used in this Schedule, the term "**Seller**" means the registrant of the domain name and its agents (including the registrant's administrative contact) that is the subject of an offer from a Buyer. The domain name that is the subject of the COS is referred to in this Schedule as the "**Domain Name**." You agree that any offer, counter-offer, and/or acceptance of either of them by a Buyer or Seller, shall be subject to the terms and conditions of this Agreement (which includes the terms and conditions of this Schedule).

2. **Purpose of Certified Offer Service; Network Solutions' Participation.** You acknowledge and agree that the COS is intended to provide the Buyer and Seller with a means through which the Buyer and Seller may be able to come to an agreement regarding the transfer of the Domain Name for the payment of a fee from the Buyer to the Seller, and to facilitate any such transfer and the associated payment from the Buyer to the Seller, all in accordance with the terms of this Schedule. You acknowledge and agree that the terms of Section 10 of this Schedule set forth the legal agreement between the Buyer and the Seller, and that you have reviewed those provisions and find them to be acceptable to you. You acknowledge and agree that Network Solutions is not the agent of and is not acting as an agent for either the Seller or the Buyer, and that the Seller will look solely to the Buyer for fulfillment of the Buyer's obligations hereunder, and the Buyer will look solely to the Seller for fulfillment of the Seller's obligations hereunder. Neither the Buyer nor the Seller will look to Network Solutions for the fulfillment of the Buyer's or the Seller's obligations. Network Solutions' role in the COS is that of sending communications from the Buyer to the Seller and the Seller to the Buyer, providing the terms of the agreement between the Buyer and Seller, receiving funds from the Buyer, processing any necessary registrar transfer, processing the registrant name change, and sending payment to the Seller, all as set forth in this Schedule. You acknowledge and agree that Network Solutions is not a broker and will not

negotiate on behalf of either party. You further acknowledge and agree that nothing in this Agreement or on our Web site shall be construed to mean that the Domain Name can be or is being assigned from one registrant to another – all Domain Name transfers are completed pursuant to the terms of the Registrant Name Change Agreement that forms a part of this Agreement.

3. Third Party and Other Factors; No liability for Failed Transactions. You acknowledge and agree that the successful transfer of the Domain Name and the associated payment of the selling price to the Seller through the COS are dependent upon many factors that are not within the control of Network Solutions, and that Network Solutions shall not be liable for the failure of any transaction, in whole or in part (including but not limited to failure of the Domain Name to be transferred or failure of a payment to be made), where such failure is caused by the actions or inactions of the Seller (including but not limited to breach by the Seller of its obligations to you or us under the COS), Buyer (including but not limited to breach by the Buyer of its obligations to you or us under the COS) or other third party. For example, a Seller whose domain name registration is sponsored by a registrar other than Network Solutions must approve a transfer of the domain name sponsorship to Network Solutions before a transaction between the Seller and Buyer can be completed. If the Seller in that situation does not approve the transfer after agreeing to sell the domain name registration, or the Domain Name cannot be transferred because it is in a lock status or has not been registered at the current registrar for more than sixty (60) days, then the transaction cannot be completed (and no money will be paid to the Seller). For further example, where a Buyer fails to sign and return to us a required credit card authorization form (so that we can obtain funds from the Buyer) after agreeing to buy a domain name registration, then the transaction cannot be completed (and the Domain Name will not be transferred to the Buyer).

4. Indemnification by You. In addition to your other obligations of indemnification under this Agreement, you agree to indemnify, defend and hold harmless Network Solutions, its parent and subsidiary companies, and their respective officers, directors, members, shareholders, affiliates, agents, employees and assigns from and against any and all liabilities, claims, damages, costs and expenses, including reasonable attorneys' fees and expenses, relating to or arising out of the termination of the COS by the Seller, the Buyer or Network Solutions (where Network Solutions is permitted to so terminate under the terms of this Agreement), or the failure of any transaction whether caused by the Seller, Buyer, or Network Solutions (except where such failure is the result of Network Solutions' material breach of this Agreement).

5. Third Party Disputes Concerning Process or Actions. In the event the COS is terminated by Network Solutions as a result of a claim by a third party that the COS process or the actions of the Seller or Buyer violate(s) that third party's rights, Network Solutions is authorized, but not obligated, to refund to the Buyer all funds paid by the Buyer to Network Solutions in connection with the COS and to transfer the registration of the Domain Name to the Seller, and/or "lock" the Domain Name until such time as any pending dispute concerning the Domain Name is resolved (as evidenced by an agreement between the applicable parties or an order of a court).

6. Your Additional Representations and Warranties; Intellectual Property Rights; Our Disclaimer. You represent and warrant that your use of the COS, including but not limited to your purchase or attempt to purchase, your sale or attempt to sell, your transfer or attempt to transfer, and your registration or attempt to register the Domain Name will not and does not infringe the rights of any third party (including but not limited to the intellectual property rights of any third party). You represent and warrant that you will take all steps necessary to fulfill your obligations under this Agreement and to complete the transaction contemplated by this Schedule. We make no representation or warranty as to the status of the Domain Name, including whether or not the Domain Name or your actions in purchasing, selling, transferring or registering the Domain Name infringes or will infringe on any other party's rights. It is your responsibility to ensure that the Domain Name and your actions do not and will not infringe on any other party's rights. Further, in addition to its other disclaimers in the Agreement, Network Solutions disclaims any liability with respect to the terms of the agreement between the Seller and the Buyer set out in Section 10, and Network Solutions makes no representation or warranty that the terms of that agreement are adequate to meet your needs or to provide you with the legal rights, protections and obligations that are best for you. If you do not wish to use the terms of Section 10 for your agreement with the Seller or the Buyer, you should not use this service.

7. Termination by Network Solutions; No Liability. You agree that Network Solutions may terminate the COS at any time (and at any stage in the process), without liability to either Seller or Buyer, if, at any time,: (1) the Buyer or Seller fails to fulfill any of its obligations under this Agreement; (2) Network Solutions believes the Buyer is or may be using a stolen or unauthorized credit card; (3) Network Solutions believes the Buyer or Seller may be acting in fraudulent or unauthorized manner, a manner that may subject Network Solutions to a claim by a third party, or otherwise in a manner that violates any law, Network Solutions policy, this Agreement, or any right of a third party; or (4) Network Solutions receives a complaint from a third party that the Seller or the Buyer is violating any law, Network Solutions policy, this Agreement, or any right of a third party. In the event Network Solutions terminates the COS as provided herein, Network Solutions shall have no liability to the Buyer or the Seller for such termination, and Network Solutions shall be permitted, but not obligated, to transfer the Domain Name back to the Seller as registrant and to return to the Buyer any of the Buyer's funds still in Network Solutions' possession.

8. Terms for the Buyer. The following additional terms apply only to the Buyer. The Buyer agrees to the following additional terms in this

Section:

COS Offer Fee; Non-Refundable; Exceptions. You will use the COS to make an offer via email to a Seller to pay to the Seller the Offer Price selected by you (the "Offer Price") in exchange for the Seller's agreement to transfer the Domain Name to you through the COS. You will pay the non-refundable COS offer fee set forth on our Web site at the time you make your offer. This fee will be paid by you and is non-refundable regardless of whether or not your offer is accepted by the Seller or the Domain Name is transferred to you (but we will not charge you the fee if it is not possible to send your offer because, for example, there is no email listed for the Seller in the Whois database).

B. Nature of Your Offer and Any Counter-Offer. We will send your offer via email to the email address of the administrative contact of the registrant as reflected in the Whois database of the registrar currently sponsoring the Domain Name. You acknowledge that the information in the Whois database might not be accurate and that we have no obligation to and will not confirm the accuracy of any Whois information. Your offer will remain valid and binding on you for a period of seven (7) calendar days from the date of your offer, unless the transaction is terminated by Network Solutions, or the Seller accepts or rejects your offer (the "Offer Period"). You may not and will not attempt to revoke your offer during the Offer Period. Your offer will automatically terminate upon expiration of the Offer Period. If the Seller makes a counter-offer, we will send you an email containing the Seller's counter-offer price (or minimal acceptable price) (the "Counter-offer Price"), which you may accept or reject so long as the counter-offer has not been terminated (the "Counter-offer Period").

C. Acceptance of Offer or Counter-Offer; Process. If the Seller accepts your offer during the Offer Period, or if you accept the Seller's counter-offer during the Counter-offer Period, we will notify you via email, and: (1) You will immediately pay to Network Solutions, and Network Solutions is authorized to charge your credit card in the amount of (i) for the benefit of the Seller, the Offer Price or Counter-offer Price, as applicable, and (ii) the transaction fee set forth on our Web site at the time you make the offer (collectively, the "Total Price"); and (2) You will complete, sign and return to Network Solutions, in the time-frame specified by Network Solutions, any and all paperwork sent to you by us to complete the transaction contemplated by this Agreement, including but not limited to a form confirming your authorization to us to charge your credit card for the Total Fees. Upon fulfillment of your obligations set forth above, Network Solutions will initiate a transfer of the sponsorship of the Domain Name to Network Solutions as registrar (with the Seller as registrant of the Domain Name), if the Domain Name is not then currently sponsored by Network Solutions as registrar, or will move the Domain Name into a new account for the Seller. Once the domain name is sponsored by Network Solutions as registrar and in a new account for the Seller, the Domain Name will be placed in a "lock" status. Network Solutions will then change the registrant of the Domain Name to the Buyer (or to the person or entity directed by the Buyer). After any successful change of registrant as contemplated herein, Network Solutions will pay to the Seller (as listed in the Whois database for the Domain Name at issue), from the funds received by the Buyer, the Offer Price or Counter-offer Price, as applicable.

D. Rejection or Termination of Offer or Counter-Offer. If the Seller rejects your offer without making a counter-offer or fails to respond to your offer during the Offer Period, the COS will immediately terminate. If you reject a counter-offer made by the Seller or fail to respond to a counter-offer during the Counter-offer Period, the COS will immediately terminate.

E. 60-Day No Transfer Requirement. For a period of sixty (60) days following any successful transfer of the Domain Name, you agree not transfer or attempt to transfer the Domain Name to another person or to another registrar, and Network Solutions is authorized to deny any request for such a transfer.

F. Domain Name Transfer and Registration Subject to Service Agreement. Through the COS, you are applying to transfer and register the Domain Name to the Buyer with Network Solutions as the sponsoring registrar. Any successful transfer and subsequent registration of the Domain Name to the Buyer is governed by the terms and conditions of this Agreement (which includes the General Terms and Conditions and the Schedules applicable to domain name registrations and registrant name changes).

G. Disclosure of Buyer Information. During the transaction contemplated by the COS, we will not disclose your identity to the Seller or any third party, unless the COS is terminated by Network Solutions as a result of a third party claim concerning the COS, the Domain Name, or the Seller or Buyer, or as a result of your failure to fulfill any of your obligations under this Agreement to us or to the Seller, or as a result of a claim by the Seller that you have not fulfilled your obligations under this Agreement. Additionally, after the completion of any Domain Name transfer hereunder, we are permitted but not obligated to disclose your identity and contact information to the Seller or as otherwise provided in this Agreement.

H. Value Assessment. You acknowledge and agree that the Value Assessment Tool available as part of the COS is designed to be a helpful tool only, and that it is your responsibility to determine the Offer Price (or Counter-offer Price) that is appropriate for you and the Domain Name in question.

I. Tax Consequences. You agree that you are responsible for complying with all tax filings, certifications, notices, rules and regulations,

arising out of your actions as a Buyer through the COS, including the payment of any sales, use, value-added or other taxes, assessed or due in connection with your payment of the Offer Price or Counter-offer Price, as applicable, to the Seller (through Network Solutions) the filing of any required forms or returns with the appropriate authorities in connection therewith.

J. Suspension of Your Account; Transfer of Domain Name to Network Solutions. In addition to all other remedies available at law or in equity, Network Solutions shall have the right, but not the obligation, to (i) suspend your account with Network Solutions indefinitely (which will suspend all other services you may have with us in your account) until payment is received by you in accordance with your obligations under this Schedule, and (ii) transfer the Domain Name to Network Solutions as registrant if you do not make required payments under this Schedule within three (3) business days after notice is sent via email to you from Network Solutions that such payment is owed.

9. Terms for the Seller. The following additional terms apply only to the Seller. The Seller agrees to the following additional terms in this Section:

A. Acceptance of Offer or Counter-Offer; Process. You may accept, reject or make a counter-offer (as described below) to the Buyer's offer so long as the offer has not been terminated (the "Offer Period"). If you accept the Buyer's offer during the Offer Period, Network Solutions will inform the Buyer of your acceptance via email, and will attempt to obtain funds from the Buyer via credit card to pay the offer price (the "Offer Price") and Network Solutions' transaction fee. If you make a counter-offer to the Buyer and the counter-offer is accepted by the Buyer, Network Solutions will inform you via email of the Buyer's acceptance of the counter-offer, and Network Solutions will attempt to obtain funds from the Buyer via credit card to pay the counter-offer price (sometimes referred to as the minimum acceptable price) (the "Counter-offer Price") and Network Solutions' transaction fee. You acknowledge and agree that in either case Network Solutions must first obtain sufficient funds from the Buyer before a transaction can be completed, and that failure of the Buyer to deposit sufficient funds with Network Solutions shall be grounds for Network Solutions to terminate the COS. After sufficient funds have been obtained from the Buyer, Network Solutions will attempt to move the Domain Name to a new account with Network Solutions where you will still be the registrant. If the Domain Name is being sponsored by another registrar, Network Solutions will first initiate a transfer of the Domain Name to Network Solutions as registrar. Once the Domain Name is registered with Network Solutions as registrar and in a new account with you as the registrant, Network Solutions will change the registrant of the Domain Name to the Buyer (or as directed by the Buyer). After any successful change of registrant as contemplated herein, Network Solutions will pay to the Seller (as listed in the Whois database for the Domain Name at issue), from the funds received by the Buyer, the Offer Price or Counter-offer Price, as applicable. If an offer or counter-offer is accepted, you will properly respond to and complete any and all emails and/or documentation sent to you from Network Solutions or your current registrar concerning the transfer of your domain name, and otherwise take all steps necessary, to effect the transfer of the Domain Name to Network Solutions as registrar (where the Domain Name is sponsored by another registrar) and to the Buyer as registrant. Upon fulfillment of your obligations set forth above, and the deposit of sufficient funds by the Buyer, Network Solutions will send you a check for the Buyer's payment of the Offer Price or Counter-offer Price, as applicable.

B. Nature of Your Counter-Offer. We will send your counter-offer, if any, via email to the Buyer at the email address provided by the Buyer. Your counter-offer serves as a rejection of the Buyer's offer. You acknowledge and agree that if the email address provided by the Buyer is not accurate or valid, the counter-offer will not reach the Buyer. Your counter-offer will remain valid and binding on you for a period of seven (7) calendar days from the date of your counter-offer, unless the transaction is terminated by Network Solutions, or the Buyer accepts or rejects your counter-offer (the "Counter-offer Period"). You may not and will not attempt to revoke your counter-offer during the Counter-offer Period. Your counter-offer will automatically terminate upon expiration of the Counter-offer Period.

C. No Changes After Acceptance or Counter-Offer. You will not attempt to transfer or change the registrant for the Domain Name after accepting an offer or making a counter-offer, except as instructed by Network Solutions or if notified by Network Solutions that the Counter-offer Period has expired.

D. Rejection or Termination of Counter-Offer. If the Buyer rejects your counter-offer or fails to respond to your counter-offer during the Counter-offer Period, the COS will immediately terminate.

E. Additional Seller Representations and Warranties. You represent and warrant that as of the time you accept an offer or make a counter-offer you are the current registrant of the Domain Name (or the current registrant's authorized agent) with full authority to enter into this agreement and to sell and transfer the Domain Name to the Buyer as contemplated herein, and that you have not and will not do anything to change the registrant or current registrar of the Domain Name except as instructed by Network Solutions or if notified by Network Solutions that the Counter-offer Period has expired.

F. Change of Registrar, Domain Name Registration, and Registrant Name Change Subject to Service Agreement. Through the COS, you are applying to transfer, if applicable, and register the Domain Name with Network Solutions as registrar, and to then transfer

the Domain Name to the Buyer with Network Solutions as the sponsoring registrar. Any successful change of registrar and registration of the Domain Name with Network Solutions, and transfer and subsequent registration of the Domain Name to the Buyer is governed by the terms and conditions of this Agreement (which includes the General Terms and Conditions and the Schedules applicable to domain name registrations, change of registrar, and registrant name changes).

G. Disclosure of Buyer Information. During the transaction contemplated by the COS, we will not disclose the identity of the Buyer except as otherwise permitted in this Agreement.

H. Tax Consequences. You agree that you are responsible for complying with all tax filings, certifications, notices, rules and regulations, arising out of your actions as a Seller through the COS, including the payment of any sales, use, value-added or other taxes, assessed or due in connection with your receipt of payment of the Offer Price or Counter-offer Price, as applicable, from the Buyer (through Network Solutions) and the filing of any required forms or returns with the appropriate authorities in connection therewith.

10. Terms Between Buyer and Seller. The following terms and conditions apply between the Buyer and Seller (unless defined in this Section, capitalized terms shall have the meaning assigned to them elsewhere in this Schedule):

A. Buyer's Rights and Obligations to Seller. By making an offer through the COS, the Buyer offers to pay to the Seller (through Network Solutions) the offer price listed in the email communication sent to the Seller by Network Solutions through the COS in exchange for the Seller's agreement to transfer the Domain Name to the Buyer. The Buyer further agrees to keep the Buyer's offer open and valid for a period of seven (7) days from the date of the offer, unless the offer is accepted or rejected sooner (the "Offer Acceptance Period"). If the offer is accepted by the Seller within the Offer Acceptance Period in the manner provided for through the COS, or if the Seller makes a counter-offer which is accepted by the Buyer within the Counter-Off Offer Acceptance Period (defined below) in the manner provided for through the COS, the Buyer agrees to pay the Seller the offer price or counter-offer price, as applicable, by depositing sufficient funds via credit card with Network Solutions to cover the offer price or counter-offer price, as applicable, and any transaction fee owed by the Buyer to Network Solutions, and to take all other steps described in the COS process and the agreement between Buyer and Network Solutions to permit completion of the transaction. Buyer agrees that in addition to Seller's other rights and remedies, Seller shall be permitted to seek a re-transfer of the Domain Name to Seller if at any time during or after the transaction provided for through the COS, Buyer fails to deposit sufficient funds or the Buyer's funds are determined to be insufficient to pay the payments for which the Buyer is obligated under the terms of this Schedule, and Buyer hereby consents to any such re-transfer.

B. Seller's Rights and Obligations to Buyer. By accepting an offer within the Offer Acceptance Period or making a counter-offer through the COS that is accepted by the Buyer during the Counter-Off Offer Acceptance Period (defined below), in either case in the manner provided for through the COS, the Seller agrees to transfer the Domain Name to the Buyer (or the Buyer's designee) in exchange for the Buyer's agreement to pay the Seller and fulfill the Buyer's other obligations as set forth in 10A above. The Seller further agrees to keep the Seller's counter-offer, if any, open and valid for a period of seven (7) days from the date of the counter-offer, unless the counter-offer is accepted or rejected sooner (the "Counter-Off Offer Acceptance Period"). If the Seller accepts the Buyer's offer or the Buyer accepts the Seller's counter-offer, Seller further agrees to fulfill its obligations described in the COS process and the agreement between Seller and Network Solutions to permit completion of the transaction. The Seller shall provide the Buyer, upon request by the Buyer, with the information necessary for the Buyer to fulfill its obligations, if any, related to tax filings and/or certifications in connection with the payment being made to Seller hereunder.

C. Representations of the Parties to One Another. 4. Additional Warranty Disclaimers and Limitations of Liability

4.1 ADDITIONAL DISCLAIMER. NETWORK SOLUTIONS IS NOT LIABLE, AND EXPRESSLY DISCLAIMS ANY LIABILITY, FOR THE CONTENT OF ANY DATA TRANSFERRED EITHER TO OR FROM YOU OR STORED BY YOU OR ANY OF YOUR CUSTOMERS VIA THE SERVICES PROVIDED BY NETWORK SOLUTIONS.

4.2 Information obtained by you from the Internet may be inaccurate, offensive or in some cases illegal. Network Solutions has no control

over information contained on the Internet and accepts no responsibility for any information that you may receive or transmit via the Internet.

☐ You accept full responsibility to verify the truth and accuracy, legality and ownership of the information that you disseminate or display in connection with your use of the Hosting Services or obtain from the Internet.

4.5 You agree that Network Solutions has no obligation to back-up any data related to your website unless Network Solutions expressly agrees otherwise in writing (or has expressly stated so on our Web site). You agree that you will regularly back-up your data whether or not Network Solutions agrees to or actually does back-up any data.

5: Restrictions on Use

5.1 Network Solutions does not intend to and shall have no obligation to systematically monitor the content that is submitted, stored, distributed or disseminated by you via the Hosting Services (the "Content"). Your Content includes content of your end users and/or users of your website. Accordingly, you are responsible for your end users' content and all activities on your website. Network Solutions, in its sole and exclusive discretion, may immediately take corrective action, including, but not limited to, removal of all or a portion of your Content and suspension and/or termination of your Hosting Services, in the event of notice of any possible violation of this Agreement or the AUP by you or your end users. You agree that Network Solutions will have no liability to you or any of your end users due to any corrective action that Network Solutions may take and that you will not be entitled to a refund of any fees paid in advance prior to the corrective action.

5.2 You warrant that your Content does not violate or infringe any copyright, trademark, patent or intellectual or other proprietary property right of any third party or contain any obscene or libelous material or otherwise violate any law or regulation.

5.3 Your use of networks or computing resources provided to Network Solutions by third party providers and made available to you as part of the Hosting Services is subject to the respective permission and usage policies of such third parties.

5.4 You expressly (i) grant to Network Solutions a license to cache the entirety of your Content and your web site, including content supplied by third parties, hosted by Network Solutions under this Agreement, and (ii) agree that such caching is not an infringement of any of your intellectual property rights or any third party's intellectual property rights.

☐ 5.5 You agree that you will not exceed the bandwidth or storage space limits applicable to the Hosting Services purchased, as set forth on our Web site. You agree that if you do exceed either of such limits, Network Solutions, in its sole and exclusive discretion, may immediately take corrective action, including, but not limited to, assessment of additional fees and/or suspension and/or termination of your Hosting Services. You agree that Network Solutions will have no liability to you or any of your end users due to any corrective action that Network Solutions may take and that you will not be entitled to a refund of any fees paid in advance prior to the corrective action.

6. Other Terms and Conditions

6.1 The Hosting Services we provide under this Agreement may incorporate other products or services that we provide, or products or services provided by third parties with whom we have a business relationship ("Additional Services"). Your use of these Additional Services may be subject to a separate application and/or approval process and your reaching separate agreements with us or with third parties. (For example, if you desire to accept credit card payments through a website you establish via the Hosting Services, your relationship with the third-party merchant account provider may be subject to an application and approval process and your reaching a separate agreement with such provider.) Some of these separate agreements may require you to pay fees in addition to the fees that you pay us for the Hosting Services. We will strive to let you know when your receipt of Additional Services will require you to enter into a separate agreement, whether with us or with a third-party, and whether such separate agreement will require you to pay additional fees. Additionally, depending on the services you elect to receive, you may be responsible for establishing and maintaining a commercial banking relationship with a financial institution. The terms of any such relationship shall be between you and the financial institution and will not necessarily reflect or incorporate terms of any agreements we may have with the institution. Further, you agree that our third party vendors providing any services as part of the Hosting Services, and their successors, are intended third-party beneficiaries under this Agreement and will be entitled to enforce your obligations under this Agreement. Finally, you acknowledge and agree that other Schedules in this Agreement may apply to the various services included in your Hosting Services package (for example, Schedules related to domain name registration, email, Private Registration, etc.), and that you have read and you agree to be bound by the

additional terms and conditions in those Schedules.
